

STREET DIRECTIONS

BY CAR

Follow the ring road around the historic center of Assisi following the signs for SS444 - Gualdo Tadino. Along the ring road, there are two parking lots:

1. Piazza Matteotti, at the highest point. Park and proceed on foot for Piazza del Comune (200 meters). From the ground level, cross the street and continue down Via del Turrione. Cross Piazza San Ru no and continue down Via San Ru no (pedestrian only) to Piazza del Co- mune. From the lower level (recommended), follow the signs for the underground pedestrian passage, which exits onto Via San Gabriele. Turn right and continue for 100 meters to Piazza del Comune. I recommend this parking lot.
2. Parcheggio del Mojano. Park and continue on foot to Piazza del Comune (150 meters). Take the escalator and continue uphill following the signs to Piazza del Comune. I recommend this parking lot if you nd Piazza Matteotti full.

Both parking lots cost €1.75/hour or €12/day during the month of August; €1.30/hour or €12/day during the rest of the year.
